## MAKEUP ARTIST

## Product List

Because I do not sell a particular makeup line, I am able to select the best cosmetics available, and tailor them to my clients' needs. I use many well known product lines, as well as those which are only available for professional artistry use, and are designed specifically for digital photography, film, TV, and their long wearing capabilities.

Some of the brands I carry in my kit include:

- [MAC Pro](#)
- [Smashbox](#)
- [RCMA](#)
- [Graftobian](#)
- [Yaby](#)
- [Temptu](#)
- [Stila](#)
- [Urban Decay](#)
- [Too Faced Cosmetics](#)
- [Cargo](#)
- [NARS](#)
- [Camera Ready Cosmetics](#)
- [Exuviance](#)
- [Obsessive Compulsive Cosmetics](#)
- [Makeup Forever](#)
- [Benefit](#)
